

**AIRCRAFT BUILDERS COUNCIL – ANNOUNCEMENT, JANUARY 2021**

**NEW PORTAL**

ABC is pleased to announce that it has chosen Global Aerospace as the exclusive insurance provider for their 2021 ABC U.S. Portal offering. Created for smaller sized manufacturers, this aircraft products insurance facility can provide coverage up to USD \$50 million and is ideally suited for those companies who serve an increasingly vital role by providing high quality products throughout the aerospace industry supply chain.

Global Aerospace has a demonstrated track record of providing high levels of service in the product liability market with unparalleled experience and strong financial backing that will benefit ABC Portal insureds. Coverage will be written on admitted security that is approved in all 50 US states.

We are grateful to Hays Companies and thank them for their involvement in the first portal.

The ABC U.S. Portal facility is open to most brokers in the US and standard commissions will apply.

Please send completed application forms, found at [http://www.aircraftbuilders.com/Brokers/US\\_Portal/](http://www.aircraftbuilders.com/Brokers/US_Portal/) and coverage inquiries to [ABCPortal@global-aero.com](mailto:ABCPortal@global-aero.com).
