- (i) In the event of any insured LOSSES, detailed claims for payment by the Insurers shall be made by the INSURED as soon as practicable and shall be accompanied by a computation of loss, which sets out in detail how the LOSS has been calculated and what assumptions have been made. The INSURED shall produce any documentary evidence, books of account, bills, invoices and other vouchers and copies of the same which Insurers or their representatives, including forensic accountants, may require and the INSURED shall afford them every assistance in their investigations including reasonable access to the INSURED’S premises, personnel and necessary documents for the purpose of the computation of loss.
- (ii) The Insurers shall determine the amount of any insured LOSSES, taking into account any savings or recoveries or offsetting or make-up of LOSSES which have been made or which the INSURED could reasonably have been expected to make and the ability of the INSURED to resume operations.
- (iii) In determining the amount of any insured LOSSES, Insurers shall apply standard accounting principles as recognised by the relevant regulatory authorities in the INSURED’S jurisdiction. Where an INSURED is present in more than one jurisdiction the relevant principles to be applied will be those of the jurisdiction in which the entity that has suffered the LOSS is based.
- (iv) Where insured LOSSES are paid by the Insurers in currency other than the currency in which the premium is paid, the rate of exchange for payment of LOSS shall be based on the published wholesale exchange rate on the date written notice of the INSURED EVENT is received by the Insurers.

5.9 Limits of Liability

The Insurers' liability under this insurance will be limited to the amounts stated in the Schedule.

5.10 Self-Insured Retention

The SELF-INSURED RETENTION stated in the Schedule will apply separately to each and every INSURED EVENT. The SELF-INSURED RETENTION is to be borne by the INSURED and remain uninsured.

5.11 Calculation of the Amount Payable under a Sub-Limit

Any amount payable for LOSS under any SUB-LIMIT of this Policy will be calculated as follows:

First the apportioned SELF-INSURED RETENTION as calculated under Condition 5.10 will be subtracted from the applicable section of LOSS. The amount payable will be the lesser of either the SUB-LIMIT or the amount remaining. No amount of LOSS will be paid in excess of the SUB-LIMIT.

5.12 Subrogation

In the event of any payment under the Policy, the Insurers will be subrogated to the extent of such payment to all the INSURED's rights of recovery. In such case the INSURED will execute all documents required and will do everything necessary to secure and preserve such rights including the executions of such documents necessary to enable the Insurers effectively to bring suit in the name of the INSURED.

5.13 Salvage

Any salvage or other recovery, after expenses incurred in salvage or recovery are deducted, will accrue entirely to the benefit of the Insurers until the sum paid by the Insurers has been recovered. In case of damage to property bearing a brand or trademark or which in any way carries or implies the guarantee or the responsibility of the INSURED, the salvage value of such damaged property will be determined after removal in the customary manner of all such brands or trademarks or other identifying characteristics, the costs of which will be borne by the INSURED.

The goodwill and public image of the INSURED will be considered in determining whether any INSURED COMPONENT(S) should be involved in salvage recovery. The Insurers' right to salvage will not be restricted by the INSURED. The INSURED will have full right to the possession of all components involved in any LOSS under this Policy and will retain control of all damaged components. The INSURED will give the Insurers written notice as soon as practicable or permissible of any

- (i) consolidation or merger with, or
- (ii) acquisition of the majority stock ownership of, or
- (iii) acquisition of the assets of, or

any other entity whose revenues are in excess of 10% of the gross revenue of the INSURED as of the date of consolidation, merger, creation or acquisition.

Additional exposure such as is otherwise covered by this Policy resulting from any of the above will be covered automatically from the date of consolidation, merger, creation or

Endorsed by The Aircraft Builders Council Board of Trustees as the carrier to offer products recall coverage for ABC insureds.

acquisition, as the case may be, but only until:

- a. the Insurers notify the INSURED in writing of their election to reject such additional exposure, or
 - b. the INSURED and the Insurers agree new terms and conditions for the permanent cover of the additional exposure, or
 - c. ninety (90) calendar days have elapsed,
- whichever occurs first.

No claim arising out of the additional exposure will be covered unless the INSURED, at the time it gave notice thereof to the Insurers, did not know nor could reasonably have been expected to know of the INSURED EVENT giving rise to the claim.

5.15 Non-Assignment

This Policy may not be assigned or transferred without the written consent of the Insurers.

5.16 Changes

Notice to any representative of the Insurers or knowledge possessed by any representative or by any person will not effect a waiver or a change in any part of the Policy or stop the Insurers from asserting any right under the terms of this Policy nor can the terms of this Policy be waived or changed unless agreed to in writing by an authorised representative of the Insurers.

5.17 Non-Accumulation of Liability

Regardless of the number of years this Policy may continue in force and of the number of premiums which may be payable or paid or of any other circumstances whatsoever, the Aggregate Policy Limit of Liability of the Insurers under this Policy with respect to any INSURED EVENTS will not be cumulative from year to year or period to period. When there is more than one INSURED, the aggregate Limit of Liability of the Insurers for LOSS(ES) sustained by any or all of them will not exceed the amount for which the Insurers would be liable if all LOSS(ES) were sustained by any one of them.

5.18 Cancellation

This Policy may be cancelled by the INSURED by giving at least ten (10) days' advance written notice to the Insurers, stating when after that date such cancellation will be effective.

This Policy may be cancelled by the Insurers by delivering to the INSURED or by mailing to the INSURED by registered or certified mail, at the INSURED'S address stated in the Schedule, written notice stating when, not less than one hundred and twenty (120) days after that date, the cancellation will be effective, except in the case of cancellation for non-payment of premium by the INSURED, in which case the Insurers will provide at least fifteen (15) days' written notice. The mailing of such notice will be sufficient proof of notice and this Policy will terminate at the date and hour specified in such notice.

If this Policy is cancelled by the INSURED, the Insurers will retain the short rate portion of the premium hereon as determined by the table appended to this Policy but this shall not be less than the amount of any claims paid or outstanding at the effective date of cancellation. If this Policy is cancelled by the Insurers, the Insurers will retain the pro-rata portion of the premium hereon. Payment or tender of any unearned premium by the Insurers will not be a condition precedent to the effectiveness of cancellation, but such payment will be made as soon as practicable.

Endorsed by The Aircraft Builders Council Board of Trustees as the carrier to offer products recall coverage for ABC insureds.

5.19 Other Insurance

It is intended that coverage under this Policy always applies in excess of any amount payable under any Aviation Liabilities insurance available to the INSURED ('the Aviation Liabilities Policy').

It is therefore made a condition of this insurance that where an INSURED EVENT occurs which may result in LOSS covered both under the Aviation Liabilities Policy and under this Policy, the INSURED must first seek to recover the LOSS under the Aviation Liabilities Policy. Nothing in this clause shall operate to waive the requirement for the INSURED to notify an INSURED EVENT in accordance with the terms and conditions of this Policy, but it is understood that despite any such notification, the Insurers will not make any payment under this Policy for any part of any LOSS where the INSURED is entitled to be paid for such LOSS under the Aviation Liabilities Policy.

In addition, the Insurers will not make any payment under this Policy where the INSURED would be entitled to be paid under any other insurance if this Policy did not exist except in respect of any amount in excess of the amount that would have been payable under such other insurance had this Policy not been effected. If such other insurance is provided by the Insurers of this Policy the most the Insurers will pay under this Policy will be reduced by the amount payable under such other insurance.

5.20 Action against the Insurers

No suit, action or proceedings for recovery of any claim under this Policy will be sustainable in any court of law, equity or other tribunal unless all the requirements of this Policy are complied with and the same is commenced within twenty four (24) months after a final statement of LOSS has been submitted to the Insurers by the INSURED in accordance with Condition 5.6 Computation of Loss.

5.21 Choice of Law and Forum

The construction, validity and performance of this Policy will be governed by the laws of the country or state specified for the purpose in the Schedule. Subject to the provisions of any Service of Suit Clause attached to this Policy, the Insurers and the INSURED hereby expressly agree that all claims and disputes will be litigated in the court or courts specified for the purpose in the Schedule.

5.22 Territory

This Policy applies to an INSURED EVENT occurring in the Territory specified in the Schedule, unless specifically changed by endorsement with the written agreement of the Insurers.

5.23 Severability, Construction and Conformance to Statute

- (i) If any provision contained in this Policy is, for any reason, held to be invalid, illegal or unenforceable in any respect, it is deemed to be severed and to have no effect on any other valid legal and enforceable provision of this Policy.
- (ii) If any provision contained in this Policy can be construed as being invalid, illegal or unenforceable for any reason, it will be construed by limiting it so as to be valid, legal and enforceable to the extent compatible with applicable law.
- (iii) Any provisions of this Policy which are in conflict with the laws of the state or country governing this Policy in accordance with Condition 5.21 Choice of Law and Forum are hereby amended to conform to such statutes or regulations.

5.24 Control of Defense

In the event of a CLAIM being made against the INSURED the Insurer, within that CLAIM is the EXERCISE OF THE INSURED'S RIGHT OF DEFENSE (but their sole obligation) (but their sole obligation) is to investigate and defend the CLAIM including the appointment of a defense attorney and the negotiation of a settlement. The INSURED shall not be entitled to control the defense of the CLAIM or to compromise the CLAIM or to settle the CLAIM without the prior written consent of the Insurer. The INSURED shall not be entitled to control the defense of the CLAIM or to compromise the CLAIM or to settle the CLAIM without the prior written consent of the Insurer.
